

Singapore emission exemptions

The following is a list of vehicles that if sourced from the Singapore market are eligible for an exemption from the Land Transport, Vehicle Exhaust Emission Rule 2007 as they are recognized as meeting the requirements of a Euro 3 emission standard.

In order to be considered for an exemption you must first fill out the attached application form in full and return it to one of the addresses provided.

<http://www.landtransport.govt.nz/certifiers/docs/vcufef-11-application-for-exemption-from-land-transport-vehicle-rules.pdf>

Along with your application form you will also need to supply

- a copy of the Singapore LTA technical letter or
- a photo of the vehicles European Whole Vehicle Approval plate and
- a copy of the Singapore De-registration certificate.

All documents supplied must link back to the vehicle you are wishing to be exempt.

Note: Vehicles must comply with all other necessary requirements, including frontal impact.
